Feel connected and inspired for the year

Festive Tech Solutions

Make your Christmas or holiday party unforgettable by elevating your event with the following technical solutions.

Lighting

When it comes to lighting, Encore transforms your holiday event into a mesmerizing spectacle. Our lighting experts have a range of holiday-themed offerings to bring the magic of the season to life.

Outside Lighting:

- > Let us light up the outside of your venue to create a special event feel that beckons guests with the promise of holiday joy.

Indoor Lighting:

- > Use lighting as the conductor of holiday cheer, seamlessly change the mood for different segments of your festive gathering or highlight your table decorations with beams of light.
- > We specialise in lighting that infuses a festive splash of colour and texture into your surroundings, ensuring your celebration shines brightly with the spirit of the season.
- > We offer dynamic dance floor lighting with moving lights, ensuring that every step on the dance floor is brought to life.

Audio

With Encore's audio services, every holiday note, every festive beat, and every spoken word is heard. Our cutting-edge audio technology ensures that holiday messages, presentations, and performances are delivered with uncompromised clarity. We can install a system which delivers on the following:

DJ or Live Band:

- > Ensure that the dance floor is pumping with the rich and resonant melodies of your entertainment.

Background Music:

- > Set the atmosphere with your background music.

Speeches:

- > Ensure that your holiday messages and speeches are heard by all
